Enterprise Rent-A-Car Presents the "Enterprise Ride with the Best" Program

Enterprise Rent-A-Car is excited to announce that the Enterprise Rent-A-Car Ride with the Best promotion will continue in 2008. It's cowboy versus bull, and the \$5,000 prize goes to the winning athlete, whether he has two legs or four.

A Built Ford Tough Series event long round winner will ride in the following BFTS long round for the Enterprise Rent-A-Car Ride with the Best bonus. That rider will receive a \$5,000 cash bonus if he covers his bull. The bulls also have a chance to cash in on the \$5,000 bounty, which goes to the stock contractor if his bull launches the Enterprise Rent-A-Car Ride with the Best bull rider before the qualifying eight seconds.

By virtue of winning the second round in Baltimore, Md., Robson Palermo (Rio Branco, Acre, BZ) will be eligible to compete for the Enterprise Rent-A-Car "Ride with the Best" Program during the first round of competition in Kansas City. The winner of the first round in Kansas City will be eligible for the bonus during the second round on Saturday evening and the winner of the second round will be eligible for the bonus during the third round on Sunday afternoon in Kansas City, Mo.

Salem NationaLease Bull of the Event

PBR will award a **Salem NationaLease Bull of the Event** bonus in the amount of one thousand two hundred fifty dollars (\$1250) to the stock contractor who owns or controls the bull that receives the highest average score at each BFTS regular season event during the 2008 season (not including the PBR World Finals). For the purposes of this bonus, the average score for each bull will be calculated by taking the total scores for all outs during that event and dividing it by the number of outs. If a bull only has one out for an event, then that score will be considered that bull's average score.
